

Anne Jeffries, MPH and CNM, has six years' experience as a Nurse Practitioner and over 13 years as a Certified Nurse Midwife. And she is in the process of earning her PhD in Public Health. Anne has worked intensely within healthcare with women and children who are identified as "at risk." Anne is a clinical preceptor for Florida Atlantic University graduate students and has been teaching Obstetrics and Gynecology to Nurse Practitioner students since 2005. Anne speaks English and Spanish and our patients find her to be committed, experienced, gentle, incredibly generous and spiritual. They ask for her time and again. Call for an appointment with Anne today and discover for yourself what her patients already know.

Athena Atkinson, CNM, holds a Bachelor's of Science in Nursing and a Master's of Science in Public Health. She's been a Midwife for 27 years and in Ob/Gyn for 36 years. Athena believes Midwives empower women to make their own choices. Her patients adore her finding her charismatic with a great attitude, sense of

humor, patience and very relaxing nature. Empower yourself by making the choice to schedule your visit with Athena by calling our office.

Ten Reasons You Deserve a Midwife to Deliver for You!

The Midwives of
Ob/Gyn Specialists
of the Palm Beaches, P.A.
For a Lifetime, We Deliver!

Meet Our Midwives:

Kathy Philbin, CNM, MSN, MBA, is our amazing Director of Midwives for Ob/Gyn Specialists of the Palm Beaches, P.A. Kathy was a labor and delivery nurse for 15 years before getting her CNM 11 years ago. Kathy gets a tremendous number of referrals from patients who find her solid, dependable, caring, well educated and extremely knowledgeable. And with five of her own children, she's got more than just medical expertise...she has practical experience. What are you waiting for? Call for your own Ob or Gyn appointment with Kathy today.

Dana Jacobs, BSN, CNM, was educated in New York and worked at some of New York's finest medical centers. She has more than 22 years' experience as a Registered Nurse and 15 years as a Certified Nurse Midwife. She has extensive

experience as a practitioner in high-risk as well as low-risk pregnancies. Dana's patients love her upbeat positive nature saying she's easy going, understanding, well educated, practical, personable and very easy to talk to. Find out what her patients are raving about by calling our office today to meet Dana.

Reason #1

We Deliver Under Your Insurance

The fact is, most health insurance covers Midwives for BOTH Ob and Gyn. Have questions about your specific coverage? Call us today at 561-655-3331 to be certain.

Reason #2

We Deliver in Hospital Settings

We offer a hospital delivery at the finest hospitals across Palm Beach County. The Midwives deliver at Good Samaritan Medical Center, Jupiter Medical Center, St. Mary's Medical Center and Wellington Regional Medical Center.

Reason #3

We Deliver Medicated and Non-medicated Births

Our goal is to help you have the birth you want and what makes sense for your circumstances. We do our best to assist you...whether you choose medication or not, we're there for you throughout the entire delivery.

Reason #4

We Deliver Gynecology

That's right. While Midwives are often associated with Obstetrics, we also perform Gynecologic services. With women for a lifetime, we deliver! We encourage you to schedule your next Gynecologic visit with a Midwife today.

Reason #5

We Deliver Assistance with High Risk Pregnancies

A high-risk pregnancy doesn't mean a Midwife can't be involved to help manage your care. We can be beside you every step of the way. And if your normal pregnancy suddenly becomes high-risk, we'll assist in any necessary medical intervention.

Reason #6

We Deliver with Extensive Experience and Intense Medical Education

ALL of our Midwives are Certified Nurse Midwives (CNMs). In addition, each has more than 10 years of hands-on experience

with additional degrees in medicine. With this type of medical training, you know you're in the best of care with The Midwives of Ob/Gyn Specialists.

Reason #7

We Deliver Assistance in Medical Emergencies

Sometimes medical intervention is necessary. We'll help make that decision with you and bring in the right specialists to care for you. And we won't leave your side. If a Cesarean-section delivery is needed, then we'll provide the surgical assistance. We're there for you every step of the way to insure you the healthiest birth possible.

Reason #8

We Deliver VBACs

We know every birth is different. We also know that if you want to try a vaginal birth after you've had a C-section, you should have that

option. As Midwives, we understand it's your choice to try. And we'll assist you to do just that.

Reason #9

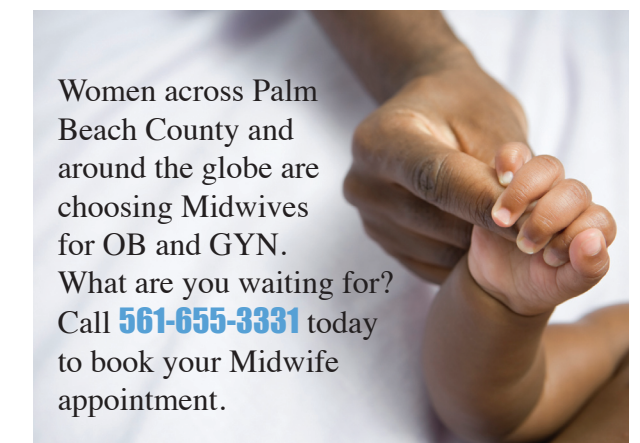

We Deliver "Real" Medicine

Midwifery is a time tested medical option. It is very real. After all, our Midwives alone have delivered over 5,000 births across the Palm Beach County region in just a few years. You can rest assured that our very highly educated, licensed and well-practiced Midwives of Ob/Gyn Specialists are for real!

Reason #10

We Deliver Happy Healthy Babies

Time and again, patients of Midwives claim to have had happier and healthier labors. Want to know more? Just check out our wall of healthy results – posted online and in our offices. The Midwives of Ob/Gyn Specialists of the Palm Beaches, P.A., are with you. For a Lifetime! \We Deliver!
